

# Drive Me Mentoring Program

**Drive Me** is a Driving Experience Mentoring Program to help you get the required 75 hours for your P's. The goal of this program is to overcome your challenges for getting your P's, increase opportunities to learn about employment or traineeships, and acquire necessary skills and develop good driving behaviour.

- You will participate in a four-hour road safety program, before driving practice commences.
- We will provide you with a Trained Driving Mentor (Responsible Supervising Driver)
- Your Driving Mentor may be a volunteer with Employment Options
- We will provide the use of our modified car to undertake driving practice

**Please Note:** To start the **Drive Me** Program a minimum of 4 lessons, including the final driving test must be completed with a professional driving instructor (depending on your funding this cost may not be included in the **Drive Me** Program).
