

PATHFINDER is an interactive career exploration game

Take part in virtual and real-world activities to increase your motivation and develop employability skills to build confidence and ability to enter the workforce.

it's not just about any job - being able to choose jobs that are a good fit for you, will help you get and keep the right one.

Don't be discouraged in your attempts to carve a career for yourself.

Know what is around, where you are going and be able to share this information with people who can help you get there

Stop being frustrated when there isn't a good fit with the jobs you get.

Be motivated and have fun while you learn how to do it

Take control and be in charge of the direction of your life, work and career

Stop the cycle of disappointment that occurs when you feel like you are constantly rejected for the jobs you are applying for.

PATHFINDER

GAME YOUR CAREER

Work, careers, money. It can be difficult to know where to start. Understanding your strengths and what's out there can assist you get the life you want.

Pathfinder is a career exploration program that uses virtual and real world activities to help you plan to get ahead.

In the Pathfinder program you will gain confidence and get started on the life you want.

Pathfinder is focused on the first step in the Choose-Get-Keep model - identifying an occupational goal which is achievable, realistic in the current labour market, and matched to values, interests and aptitudes. Pathfinder is aligned to the Australian Blueprint for Career Development and uses Gamification principles to engage users.
